INTERNSHIP OFFER LETTER

Dear **ANU SREE K**,

Congratulations! We are delighted to inform you that you have been selected as an Intern in AI & Data Science domain at **WEBROO TECHNOLOGIES**. We are impressed with your academic background and enthusiasm for Artificial Intelligence and Data Science, and we look forward to having you join our team.

This is to confirm that **Ms. ANU SREE K, (Reg No: 2403737724322061)**, a third year **B Tech Artificial Intelligence & Data Science** student of **K.S.Rangasamy College of Technology, Tiruchengode**, has been approved to undergo an Internship at Webroo.

The period of your internship will be **30 days** from **25th June 2026** to **25th July 2026**. During the period of internship, the company will provide practical exposure in **AI & Data Science**.

During your internship, your key responsibilities will be

- Create data visualizations and reports for project presentations.
- Participate in AI and Data Science project development activities.
- Research emerging AI technologies and industry trends.
- Maintain proper documentation of assigned tasks and project outcomes.
- Collaborate effectively with mentors and fellow interns.
- Adhere to company policies, confidentiality requirements, and professional standards.

Confidentiality any information, data, documents, source code, project materials, or intellectual property shared during the internship shall be treated as confidential and shall not be disclosed to any third party without prior written consent from the company. You will be required to start your internship with the company on 25/6/2026.

We are welcome you to **WEBROO TECHNOLOGIES** and wish you a productive and enriching internship experience.

For Webroo Technologies,

Subhash S
